We capture the life of the moment!

Wedding & Event Prices

Our goal at **Torre Photography** is to capture not only the magnificent highlights of your wedding day but also those important little details that you spent so many hours carefully planning. Our team of photographers brings nearly 100 years of combined professional experience to you. Whether you prefer traditional coverage or a photo-journalistic approach, **Torre Photography** is there to meet your needs and capture the life of the moment. Our job doesn't end on the wedding day. We are there to consult with you and assist you with choosing your finished album and designing the custom pages that will once again bring alive the romance and excitement of your wedding day. And, as an added bonus, all of our packages include online display so you can share your cherished memories with family and friends across town or around the world.
