### ***Trash the Dress***

Can't decide what to do with a wedding dress you'll probably never wear again? Don't want to pay to have it cleaned & preserved? Then have some fun, do something crazy and go for a dip in a pool in the dress. Or buy some kindergarten paints and let your favorite nieces & nephews have some fun and show off their artistic skills by decorating your dress while you're wearing it. There are hundreds of ideas and opportunities to have some good clean (or not so clean) fun. Let your imagination run wild and we'll capture the fun with our cameras.
